Thanks, Tara. We have some corrections for you on the 2018 Annual Planning Report and I don't believe we have received the newsletter for the 1st quarter of 2018.

**All:**

- 1) We have submitted our 2018 Annual Planning Report via the online portal. It was approved 8-0 by the Board of Directors on April 13, 2018.
- 2) Attached please find our Q1 2018 quarterly report (new, submitted on time)
- 3) Based on the comments we received from Rita via email on April 18, 2018, we have revised our Q2, Q3 and Q4 2017 quarterly reports - financials only. These are attached in a single file.
- 4) We added one member to our Board of Directors at our meeting on April 13, 2018. Attached is a revised board roster for your files.
- 5) We have a new, permanent phone number (landline) for the BID, although it will not be staffed until later this month. This will be the one-stop number for both the office and dispatch (clean and safe service calls.) I will email you when it is staffed. The 213 number is the one to keep using until I send a follow-up email. But it will be: **310-396-VBID** (310-396-8243).
- 6) I will let everyone know when we have an official launch date for clean and safe (we will launch later this month.) Please let me know if you have any questions.

**Rita:**

When your review is complete, kindly confirm that we are now current with all required reports. Thank you.

Warmest regards,  
Tara
